RE: Visitor Guidelines due to COVID-19/Coronavirus

Dear Valued Customer:

Walker Corporation and Premier Enclosures Systems are closely monitoring the COVID-19 situation.

Currently, Walker Corporation and Premier Enclosures Systems are continuing to operate and produce as normal, continuing to stay open during regular business hours. Customer orders remain strong.

To ensure the health and safety of our staff and their families, Walker Corporation and Premier Enclosures Systems has taken some precautionary steps to reduce the transmission of COVID-19. Effective March 17th, Walker Corporation and Premier Enclosures Systems are taking the following precautions:

- All nonessential business travel is temporarily suspended for Walker Corporation and Premier Enclosures Systems employees.
- Walker Corporation and Premier Enclosures Systems are suspending any non-essential visits from customers and suppliers to our facility. Any meeting is recommended to be made via email, phone, Skype, or other form of TV conference.

Thank you for your support and understanding,

Walker Corporation
